

Quartermaster's Update

New Post Officers: I need your full name, address, phone numbers, email address for General Order #1.

Just a reminder:

Annual dues are \$30.

The first payment of all Installment Life memberships is \$35.

Installment Life members need to make sure VFW National is advised of any change of address. If National can't contact the individual with installment notices, they will apply all payments made to date toward an Annual membership until the amount already paid is exhausted. As an example: If the member has paid \$150 toward their membership, but National can no longer get in touch with him/her, they will simply convert the Life membership to Annual, and deduct the annual dues from that amount until it is consumed.

Please ensure that applications are completed front and back, and that they are legible. If I can't read them, they will not be processed until I can contact the applicant to clarify their info. If I can't contact the individual because I can't read the phone number there's not much I can do about it.

If you have not received your membership card, you are probably listed as "undeliverable" by National. Contact me, and I will find out what the problem is.

quartermaster@vfwpost9972.org It's also possible that I have your membership card in the office since National sends them to me when they are "Undeliverable".
